

Manchester Ship Canal Cruise Accessibility

Wheelchair access is possible on to the main deck of the vessel only. Please note that outdoor areas on the main deck are extremely limited. The only access to the top deck is via steps.

Toilet facilities for passengers with disabilities are available on the main deck.

At Seacombe and Pier Head the distance from the nearest drop off point is approx 150m.

Both collapsible and non-collapsible wheelchair space must be pre-booked when you order your tickets (Tel: 0151 330 1003 open 7 days a week between 8am and 8pm).

The Manchester Ship Canal passes through a number of industrial complexes. Vapours may be in the air, which may irritate those with asthma or other respiratory problems.

At Mersey Ferries, we have been progressively improving accessibility throughout our terminals and vessels. Our aim is to ensure that all our customers are catered for, and there are no barriers to traveling with us.

FACILITIES AVAILABLE AT MERSEY FERRIES

On Our Vessels

Main decks are fully accessible, including wheelchair access.

Accessible toilet facilities are available on the main deck.

Colour contrasting steps and handrails.

At Our Terminals

All Mersey Ferries terminals are accessible for wheelchair users.

Wheelchairs are available on request.

Please note that the link span bridge, which connects the ferry terminal to the landing stage, can be quite steep, especially at low tide (times for low tide).

Our staff can provide assistance or carry you on an electric buggy, on request.

Accessible toilets are available at all ferry terminals.

Further Information

All Mersey Ferries information is available in alternative formats.

For further information about accessibility issues please telephone: 0151 330 1003
